Meet Information:

The 2016 Masters Throws Championships consists of unique field event competitions that showcase an athlete's ultimate power and strength! Contested events are the Throws Pentathlon, the Ultraweight Pentathlon and the Superweight Throw. The Throws Pentathlon features traditional field implements: Hammer Throw, Shot Put, Discus Throw, Javelin Throw, and Weight Throw and are contested in that order. The Ultraweight Pentathlon also features five throws but with significantly heavier weights ranging from 12-300lb for men and 4K – 98lb for women based on a gender and age group table. The Superweight throw is a single throw and done in conjunction with the Ultras Pentathlon. Last time we had athletes from 30-97 yrs old competing...it is inspiring to see these folks!
