SOAR

COLLEGE OF EDUCATION AT ILLINOIS

Student Opportunities for After-School Resources

Information for Volunteers

What?

Step off campus one afternoon a week to participate in a fun and rewarding experience in the local community! Build a positive relationship with a Latinx emergent bilingual/biliterate student in grades 2-5 while assisting the child with reading and homework completion.

Where?

International Prep Academy (IPA)

1605 W. Kirby Ave., Champaign, IL

IPA is a dual language school in the Champaign Unit 4 School District

When?

The SOAR after-school program takes place from 2:00-3:15 every Tuesday, Wednesday, and Thursday at the International Prep Academy. You are asked to make a weekly volunteer commitment on the day that best fits into your semester schedule.

How do I get to the Elementary School?

The 10 Gold MTD bus route offers a convenient ride from campus to IPA with a bus stop in the front of the school (intersection of Kirby and Rose). There is also the possibility of carpooling with other tutors.

Why volunteer?

The SOAR program provides volunteers the opportunity to . . .

- read and discuss books with a child.
- be a tutor/mentor/positive role model to a child.
- participate in a program that promotes positive cross-cultural understanding.
- speak Spanish with emergent bilingual/biliterate children.
- learn with children in the local community.

Interested in participating in this fun and rewarding community service activity?

Contact María Lang, Program Coordinator

Email: mglang2@illinois.edu

Phone: 217-265-4705

Please contact María Lang to sign up for one of the orientation sessions listed below for new SOAR tutors. All necessary paperwork will be completed at the orientation session.
