

AmeriCorps

2021-2022 SERVICE YEAR

RECRUITING FOR FELLOWSHIP!

GrizzlyCorps is an AmeriCorps Program launched in 2020 in partnership with UC Berkeley's Project Climate at the Center for Law, Energy & the Environment (CLEE).

We are seeking upcoming and recent college graduates who want to gain direct experience in sustainability and environmental resiliency while making a lasting impact in farm & forest communities across California.

WHY GRIZZLYCORPS?

The local farm and forest community experience provides critical insight into some of California's most pressing climate concerns.

Fellows will gain hands-on experience through GrizzlyCorps' two main tracks:

- regenerative agri-food systems
- fire & forest resilience

Each fellow will implement 1-6 capacity building projects.

Examples include:

- farm action & fire reduction plans
- regenerative agriculture
- ecological forestry techniques
- carbon sequestration projects
- local resiliency plans
- educational outreach

TAKE THE PLEDGE.

I will get things done for America -
to make our people safer, smarter, and healthier.
I will bring Americans together to strengthen our communities.
Faced with apathy, I will take action.
Faced with conflict, I will seek common ground.
Faced with adversity, I will persevere.
I will carry this commitment with me this year and beyond.
I am an AmeriCorps member, and I will get things done.
